Craft beer

**Sweetwater Brewing Co., Atlanta, Georgia, 420 Extra Pale Ale
5.7% abv**

Our most popular brew! A tasty West Coast-style extra pale ale accentuated with a stimulating hop character. Brewed with two row, Munich and 40L malts with a heady dose of Cascade and Centennial hops. First conceived in our bat cave on April 20, 1997, this beer keeps the wheels on the bus going round and round.

Anchor Brewery Co, San Francisco, California, Anchor Steam 4.9% abv

Anchor Steam Beer derives its unusual name from the 19th century when “steam” was a nickname for beer brewed on the West Coast of America under primitive conditions and without ice. While the origin of the name remains shrouded in mystery, it likely relates to the original practice of fermenting the beer on San Francisco’s rooftops in a cool climate. In lieu of ice, the foggy night air naturally cooled the fermenting beer, creating steam off the warm open pans. Once a nickname for any Californian or West Coast beer brewed under these conditions, today the name “steam” is a trademark of Anchor Brewing and applies only to the singular process and taste of our flagship brand - San Francisco’s original Anchor Steam Beer. The classic of American brewing tradition since 1896.
