## London Heathrow Upper Class Wing

The perfect departure

Our Upper Class Wing delivers the ultimate departure experience when flying from Terminal 3. If arriving by car, your driver simply follows the signs to the Virgin Atlantic Upper Class Wing, where our team will be waiting to greet you, take your bags, and hand you your boarding pass. From there, glide through Private Security and head straight to the Clubhouse.

Travelling by train or Tube? You'll take the lift up to the Wing just beside Upper Class Check In (Zone A, main terminal building).

Upper Class Wing access is exclusive to Virgin Atlantic Upper Class passengers and Gold Flying Club members.
