Tips from the Panel

Be sure you have the Disney Cruise Line Navigator app downloaded so you can check the activities schedule - entertainment is always subject to change, so having the app on your side is always a great way to stay informed! You'll also use the app to stay connected with your party while on board.

If you are traveling with children, or if you're still a child at heart, don't miss out on the Midship Detective Agency. You can solve a mystery for Mickey while exploring interactive artwork throughout the ship.

The Disney Dream offers some of the best Disney dining experiences on the Seven Seas at Remy. These meals are legendary, and they could help you create a spectacular night!

The Disney Dream is the exclusive home-at-sea to the musical production Beauty and the Beast. I recommend heading to the Walt Disney Theatre about 20 minutes in advance of the evening's performance to snag a seat.

If you fancy a thrilling adventure, you may love the AquaDuck, a water coaster that spans the ship and allows beautiful ocean views.
