Tips from the Panel

Be sure you have the Disney Cruise Line Navigator app downloaded so you can check the activities schedule - entertainment is always subject to change, so having the app on your side is always a great way to stay informed! You'll also use the app to stay connected with your party while onboard.

Animator's Palate is my favorite restaurant on the Disney Fantasy. It is so interactive and full of surprises! But the best part is the cookies and cream sundae that is offered for dessert. Sometimes I have to order a second one - so yummy!

While onboard, treat yourself to the complimentary 24-hour Room Service. Sometimes you just need pizza or a sandwich! When my kids were little, we always ordered a snack of cookies and milk just before bedtime.

One of my favorite activities on the Disney Fantasy is the AquaDuck. It is a water coaster that will zoom you around the deck of the ship! It is a splashing-good-time as you get bird's eye view of the Fantasy and a few splashes before a smooth landing back on deck.

In Europa - the adults-only district - there are multiple lounges all in one spot so you can find the one that suits you and your companions the best!
